Wellness for Children

Dear Families,

I would like to officially invite you to our Global Wellness Family Camp on August 24th through August 28th, 2019.

This August, treat your family to a weekend of wellness at Camp Starlight, located in the beautiful Poconos Mountains of Pennsylvania. Wellness activities feature the five senses solution in addition to art, music, forest bathing, One Brain™ sessions with Sara Bronson, and more!

Register your family online at globalwellnessfamilycamp.com.

Hope to see you there!

Best,
Christine
